The following is a copy of a press release made available by SoftVest LP on April 22, 2019:

SOFTVEST, L.P., HORIZON KINETICS LLC, AND ART-FGT FAMILY PARTNERS ISSUE OPEN LETTER TO TRUSTEES OF TEXAS PACIFIC LAND TRUST

Call Again on TPL Trustees to Deliver NOBO List and Stop Legal Stonewalling

DALLAS (April 22, 2019) – SoftVest, L.P., Horizon Kinetics LLC and ART-FGT Family Partners, which collectively beneficially own over 25% of the outstanding shares of Texas Pacific Land Trust (NYSE: TPL), issued today the following open letter to the Trustees of TPL:

Dear Trustees:

We start by calling again on you to do what is right for TPL shareholders and endorse Eric Oliver for trustee. Short of that, you must level the playing field by providing Mr. Oliver a copy of the NOBO list that is in your possession. Such list is being actively used by your agents to solicit TPL shareholders, some of whom have been called 2 to 3 times in a high pressure sales pitch effort to vote for your hand-picked nominee.

Last week Mr. Oliver received a letter from one of your two law firms regarding his previous request for a copy of the NOBO list. **We think your attorney's letter shows PRECISELY what is wrong with TPL.**

As a threshold matter, it is clear to us that at this time you do not intend to provide Mr. Oliver with a NOBO list; the tone and content of your letter confirms as much.

We trust that you already know that there is no legal impediment in providing to Mr. Oliver a NOBO list, as such lists are routinely provided by companies to investors conducting a counter-solicitation.

Your argument boils down to saying that TPL will not provide the NOBO list unless it is legally mandated to do so. And, of course, if we were to buy into such mistaken premise we will be led collectively with you down a rabbit hole of hopelessly unnecessary legal memos, opinions and ultimately litigation filings around what the law mandates, not what it permits. **We are sure your attorneys** would enjoy spending more of our money by indulging in a wasteful adversarial and litigious exercise; however this simply misses the point.

Ultimately, and more importantly, your counsel's letter makes clear in a very concrete and vivid manner the point we have been making all along: **TPL must immediately convert into a Delaware corporation, as permitted under its declaration of trust.** If TPL were a Delaware corporation we would not be having this surreal exchange regarding the NOBO list, as Delaware law makes clear that corporations not only have the right to provide a NOBO list to investors, but they have a legal obligation to their shareholders to do so.

We look forward to you doing what is right for TPL investors.

Sincerely,

SOFTVEST, L.P. HORIZON KINETICS LLC ART-FGT FAMILY PARTNERS
