This is a fundamentally important decision that affects the future of shareholders' investments. We urge all shareholders to read the resources on this site and vote FOR retired four-star General Donald "Don" G. Cook using the BLUE proxy card.

As a result of thoughtful and shareholder-focused management of the Trust, TPL's shareholders are benefitting from unparalleled returns. With drilling in the Permian Basin having accelerated in recent years, we have strategically positioned the Trust's extensive land assets to maximize benefit from these favorable market conditions.
